ABOUT PEGASUS HOME HEALTH CARE

Since 1991, Pegasus Home Health Care has been providing the most exceptional medical and personal care services for families throughout the Los Angeles area.

A team of over 80 professionals, both in the field and in the office, comprises the Pegasus Family. Each of our team members, both individually and as a group, are dedicated to caring for you and your family, ensuring all of your needs are met. Integrity, dignity, loyalty, trust, and wisdom, all with just the perfect touch of wit and merriment, are at the core of who we are.

Pegasus provides both in-home skilled medical care and personal care services for people of all ages.

Our team of skilled medical professionals is comprised of RN's, LVN's, Physical Therapists, Occupational Therapists, Speech Therapists and Medical Social Workers.

Our Personal Care staff is comprised of Professional Caregivers (PCG), Certified Nurses Aides (CAN) and Certified Home Health Aides (CHHA).

Our Credentials:

- Pegasus is both a California State licensed and Medicare certified home health agency.
- Pegasus has been rated in the top 25% of Home Health Care agencies in the United States and was awarded the prestigious Home Care Elite status from OCS, an independent benchmarking company.
- Pegasus is a CAHSAH (California Association for Health Services at Home) certified home care agency
- All Pegasus staff undergoes extensive pre-screening prior to hire, including background checks, reference checks from previous employers and professional colleagues as well as a pre-employment health screening evaluation. Each of our staff members is fully insured and bonded.

COMMUNITY OUTREACH PROGRAMS

Community and worksite wellness campaigns are also an integral part of what Pegasus does. Pegasus provides on-site flu shot clinics, blood pressure screenings and more at community events and in the workplace. For more information on these special on-site services, contact Pam Spizman, RN, President.

WHO RUNS PEGASUS

Pegasus is run by the unstoppable and professional mother-daughter team of Pamela Spizman and Kimberly Moss.

Family caring for family — that's what makes Pegasus so special.

RN, MBA
President,
Founder, CEO*

*Kimberly D. Moss,
Vice President
& COO*

Pamela Spizman knew what her life goal would be - to make a difference. Pamela founded Pegasus Home Health Care in 1991 with just a small staff of three people. Today, she has created a team of 80 professionals and hundreds of clients that depend on and are embraced by the Pegasus Family. Kimberly Moss joined Pegasus in 1995. Together, they share the same passion, the same commitment and same goals for their company and their clients.

Commitment to Care • Passion to Serve
